Every campfire. Every challenge. Every act of service.

Every adventure helps shape the person your child is becoming.

Every parent hopes their child will become...

- ✓ **Confident** enough to try something new.
- ✓ **Kind** enough to help someone who needs it.
- ✓ **Brave** enough to stand up for what's right.
- ✓ **Responsible** enough to lead others.
- ✓ **Resilient** enough to keep going when life gets hard.
- ✓ **Curious** enough to keep learning.
- ✓ **Respectful** enough to make a difference.

These aren't lessons learned in a classroom.

They're learned around campfires, on hiking trails, through service projects, and by working alongside peers and caring adult mentors.

WHAT WILL THEY BECOME?

Scouting builds character and develops leadership skills

Kids love Cub Scouts because it's fun. But Scouting teaches values-based leadership and character strengths, too. It builds new confidence and social skills. It teaches the value of service and citizenship. In Cub Scouts, youth learn what it means to be a Scout today, and a leader for tomorrow.

Fun Family Adventure Awaits!

When you join Cub Scouts there's always something fun to do and learn for the whole family.

- + Build & race Pinewood Derby Cars
- + Nature hikes
- + Camp under the stars
- + Bike trails
- + Experience fun STEM activities & games
- + Try your hand at fishing
- + Learn life saving skills
- + Meet new friends
