

Clover Kids is a fun 4-H program specifically designed for children in **kindergarten through third** grade. Clover Kids fosters positive relationships and build valuable life skills through a variety of hands-on activities. Most clubs meet once a month!

What do Clover Kids do?

- Investigate Science, Technology, Engineering and Mathematics (STEM)
- Explore literacy through fun and engaging ways to read and write
- Learn the importance of being healthy and physically active
- Practice communication skills and learn to work as a team
- Play fun cooperative games and make new friends
