

2nd Grade Baseball Team

Looking for 12-14 2nd grade boys to form a baseball team to play in 2-3 local 8U Coach-Pitch Tournaments this summer.

Goals of the team:

- ⇒ Develop an increased knowledge and skills of baseball
- ⇒ Play together with other boys in the 2nd grade who will be future teammates
- ⇒ Begin practicing pitching and catching with 2nd grade boys for kid-pitch the following year
- ⇒ Play in 2-3 local coach-pitch tournaments in addition to playing park and rec this summer
- ⇒ Could develop into a traveling team in the future

We will see how many are interested and hold a parent meeting in early February. There will be a cost to the team for equipment, uniforms, practice facilities, and tournament entry fees which will be discussed at the parent meeting. After the meeting, we will determine who is committed to playing. If numbers are high, we will hold a tryout if necessary.
