

ROBOTIC SUMMER CAMP

JUNE 6TH – JUNE 10TH

10:30-12:00 - 12:30-2:00 - 2:30 - 4:00

CENTRAL DEWITT MIDDLE SCHOOL STEM ROOM

This Robotics Camp is a summer opportunity for students to explore robotics through the use of Lego Spike Prime Robots. Students who are entering 3rd - 8th grade for the 2022 - 2023 school year are invited to register.

We will be having 3 sessions. The 1st 2 session (beginner) is 10:30-12:00 & 12:30-2 and will be for students that are going into 3rd and 4th grade **OR** that have no robotic experience either with my camp **OR** FLL.

The 3rd session (advanced) is 2:30-4 and is for students that **HAVE** robotic experience **AND** going into 5th grade **OR** above. The students will be required to use sensors for the 3rd session.

Right now, there will only be 3 sessions and each session will be limited to about 13 students.

*There will be NO partners or sharing robots/computers.

*There will NOT be a showcase where family come and watch...instead I will record their robots and send to parents and post to my class Facebook page.

Camp fees are \$50 and include a camp t-shirt.

To Register:

Email Terri Smith terri.smith@cd-csd.org

A link will be emailed to you for the online registration and online payment.

*Registration is not complete until I receive your payment.
