

Clover Kids is a fun 4-H program specifically designed for children in kindergarten through third grade. Clover Kids fosters positive relationships and build valuable life skills through a variety of hands-on activities.

### What do Clover Kids do?

- Learn the importance of being physically active and appreciating the outdoors
- Practice communication skills and learn to work as a team while making new friends
- Investigate Science, Technology, Engineering and Mathematics (STEM)
- Explore literacy through fun and engaging ways to read and write
