

SABERTOOTH WRESTLING CLUB

COME BE A PART OF THE ACTION WITH SABERTOOTH WRESTLING CLUB!!

The Sabertooth Wrestling Club has existed for over 30 years and continues its mission of fostering self-confidence, commitment and teamwork through the sport of wrestling. In learning the fundamental competitive skills of wrestling, our athletes also learn to value sportsmanship, develop their competitive spirit, and appreciate the importance of friendship and respect for others.

There is no better preparation for life than participating in this great sport. It's not about winning, but the desire to win. It's not about success, but rather the determination to succeed. Becoming a successful wrestler means becoming all that you possibly can – so become a part of the Sabertooth Wrestling tradition today!
