

1,000 BOOKS BEFORE KINDERGARTEN

R E A D I N G P R O G R A M

TELL ME MORE!

Who? Any child who hasn't yet entered kindergarten can participate. This includes babies and toddlers!

What? A fun challenge for you and your child - as simple as it sounds! Read 1,000 books before they start kindergarten.

When? Anytime! This program is ongoing and self-paced.

Where? Anywhere! Track books read at home, daycare, the library - wherever you're reading!

Why? There are countless benefits of reading to your child - it helps with early brain development and builds key language, literacy and social skills. Additionally, reading together builds a bond between the child and those that are reading to them.

How? Stop by the DeWitt Community Library Circulation Desk to sign up today!
