

PUTNAM!

SUMMER CAMP 2022

Have you ever imagined hopping onto the Magic School Bus, training to be a wizard, or learning how to survive in the wild? We will go on a journey through the museum, complete scientific experiments, and make memories you won't forget!

Half-Day Camps

Grades K-2 (2022/23 school year)

Fee: \$150 per week (\$125 members)

Magic Tree House: Oh, Man. Mummies!

June 13-17 | 9 am - 12 pm

Meet at the Putnam's Tree House and get ready to get wrapped up in Egypt! Investigate mummies, pyramids, plants, and animals as we make the journey! Create African art, see tomb treasures, and discover the history hidden in the Putnam's tomb!

Rad Robots

June 13-17 | 1-4 pm

Join us on a wild coding adventure. The possibilities are endless with Dot and Dash, the Putnam's programmable bots! Explore basic coding and the terrific technology in the Putnam's Lab!

Magic School Bus Adventures

June 20-24 | 9 am - 12 pm

Join Ms. Frizzle and her class on extraordinary adventures all week. "Seat belts, everyone!". This is NOT a normal field trip! Get lost in our solar system, travel through the human body, and be ready to "take chances, make mistakes, and get messy!"

Natural Explorer

June 20-24 | 1-4 pm

Investigate our Earth and what makes our planet amazing! Explore water, weather, and our bright, bold Sun. Join us as we explore together off the beaten path!

Magic School Bus Adventures

July 18-22 | 1-4 pm

Join Ms. Frizzle and her class on extraordinary adventures all week. "Seat belts, everyone!". This is NOT a normal field trip! Get lost in our solar system, travel through the human body, and be ready to "take chances, make mistakes, and get messy!"

Jr. Mystery at the Museum

July 25-29 | 1-4 pm

Work together to search for evidence, collect clues, discover secret messages, solve puzzles, and accomplish tasks to solve mysteries at the museum! During this fun forensic camp, learn what it takes to investigate and crack the case! Will you solve the mystery in time?

Natural Explorer

August 1-5 | 1-4 pm

Investigate our Earth and what makes our planet amazing! Explore water, weather, and our bright, bold Sun. Join us as we explore together off the beaten path!

New! All Day K-2 Camper:

Is your child signed up for two half day camps? We can provide supervision over the lunch hour for \$25. Contact Cindy at cblobaum@putnam.org.

PUTNAM!

SUMMER CAMP 2022

**Become a Putnam Museum member
for a discount on camp tuition!**

Full-Day Camps

Grades 3-5 (2022/23 school year)

Fee: \$275 per week (\$225 members)

Wizardry

June 27- July 1 | 9-4 pm

Join us for a magical week, exploring spells, potions, and what it takes to be a master of wizardry in today's world. Grab your wand, discover your gift, and team up for a week full of fun competition while encountering mythical creatures and artifacts. Embark on a quest to discover the secret science behind the magic!

Putnam Mad Science

July 6-8 | 9-4 pm

***THREE DAY CAMP* Fee: \$195 per week (\$145 members)**

Explosions, experiments and excitement! Get geared up for safe science, brews, goos, and chemical concoctions! Join us in the Lab for three days of science fun for everyone.

Survival: Camp Z

July 11-15 | 9-4 pm

Who will make it to the end? Gather with other survivalists and put your skills to the test while preparing for the undead uprising. Learn the necessary skills to outlast a ZOMBIE apocalypse. Strengthen your awareness, observation skills, and wilderness survival abilities. There will be training on building shelters that can withstand damage, mastering an obstacle course, and learning how to disguise yourself as a zombie! Are you up for the challenge?

Mystery at the Museum

July 18-22 | 9-4 pm

Work together to search for evidence, collect clues, discover secret messages, solve puzzles, and accomplish tasks to solve mysteries at the museum! During this fun forensic camp, learn what it takes to investigate and crack the case! Will you solve the mystery in time?

Summer STEAM

July 25-29 | 9-4 pm

Science. Technology. Engineering. Art. And... MAKERSPACE? Join us at the Putnam for a crazy creative week full of design challenges that test your talents with using technology, building, designing, and inventing. Come prepared to explore the world of artists, engineers, and scientists!

Wizardry

August 1-5 | 9-4 pm

Join us for a magical week, exploring spells, potions, and what it takes to be a master of wizardry in today's world. Grab your wand, discover your gift, and team up for a week full of fun competition while encountering mythical creatures and artifacts. Embark on a quest to discover the secret science behind the magic!

Scholarships can be made available based on need. Contact Cindy at cblobaum@putnam.org for more information.
