There is a chance that the Central DeWitt Girls' Basketball Team will be attending state this year.

If they make it to the finals, we will be moving COR to the following weekend (March 11-13) and reimbursing any that can't make the new date. Please mark one of the two choices so we know who needs to be reimbursed.

☐ My youth can only attend Mar. 4-6 and we would need to be reimbursed if this happens.

☐ My youth can attend either weekend.
